

# GINNY'S GIN

THE SPIRIT OF WINE COUNTRY

Ginny's Gin is handcrafted by winemakers, distilled from grapes and grain and presented in a wine bottle to honor its vineyard provenance. The ratio of grape to grain was meticulously fine-tuned over several years to yield a perfectly in-balance expression of the two.

Our Gin begins its life as a whisper of citrus from our garden and a subtle taste of Sagebrush from the mountain tops of Tahoe. We carefully select our favorite ten botanicals to bring graceful complexity to our flavor profile. We've chosen Juniper, Lemongrass, Lemon Peel, Coriander, Sagebrush, Orris Root, Grains of Paradise, Angelica Root, Cubeb Berries and Licorice Root. We crack the Juniper and Coriander and macerate them in the grape spirit for 24 hours. Then, we extract the essence of our other botanicals with gentle vapor infusion to refine them and introduce an element to our distillation technique that shapes our spirit. After a resting period, the grain spirit is married with the botanical concentrate. With dedicated craftsmanship we carefully distill our perfectly woven grapes and grain to yield our eloquently designed Ginny's Gin.

Lush, dangerously smooth and perfectly balanced, our gin plays nicely with others! Ginny's Gin is the mixologist's darling and will delight in your favorite cocktail, but with its beautiful restraint, it can also be simply enjoyed over ice.

*Cheers!
